

## **New Substances 2022**

The Commission on Narcotic Drugs at its 65<sup>th</sup> Session in March 2022 has added the following **one substance** to **Schedule II** of the 1971 Convention. The scheduling change goes into effect six months (180 days) after official notification from the Secretary-General of the United Nations. Notification of the scheduling change was communicated to all States Parties on 27 May 2022 and the scheduling change will take effect on 23 November 2022.

### **Schedule II**
