

## New Substances 2023

The Commission on Narcotic Drugs at its 66<sup>th</sup> Session in March 2023 has added the following **three substances to Schedule II** of the 1971 Convention. The scheduling change goes into effect six months (180 days) after official notification from the Secretary-General of the United Nations. Notification of the scheduling change was communicated to all States Parties on 17 May 2023 and the scheduling change will take effect on 13 November 2023.

### Schedule II

IDS Code	Substance
PA 011	ADB-BUTINACA
PP 028	<i>alpha</i> -PiHP
PM 032	3-Methylmethcathinone
