

## New Substances 2024

The Commission on Narcotic Drugs at its 67<sup>th</sup> Session in March 2024 has added the following **three substances** to **Schedule II** and **one substance** to **Schedule IV** of the 1971 Convention. The scheduling change goes into effect six months (180 days) after official notification from the Secretary-General of the United Nations. Notification of the scheduling change was communicated to all States Parties on 6 June 2024 and the scheduling change takes effect on 3 December 2024.

### Schedule II

IDS Code	Substance
PC 017	3-chloromethcathinone (3-CMC)
PD 014	dipentylone
PF 013	2-fluorodeschloroketamine

### Schedule IV

IDS Code	Substance
PB 009	bromazolam
